

ETNCM(SW/AW) JUSTIN E. SEQUAPTEWA
FACULTY ADVISOR
U.S. NAVY SENIOR ENLISTED ACADEMY

Master Chief Sequaptewa was born in Kearns, Utah. He enlisted in the United States Navy in July 2005 and completed basic training at Recruit Training Command, Great Lakes. In April 2007, he completed Naval Nuclear Propulsion training for Reactor Operators in Charleston, South Carolina.

He reported to USS George H. W. Bush (CVN 77) in Newport News, VA for completion of commissioning as a member of Reactor Control Division. In August 2011, he reported Submarine Learning Center in San Diego, CA as an A4W Fleet Interactive Display Equipment instructor. From May 2014 to November 2018, he served onboard USS Gerald R. Ford (CVN 78) where he served as the Reactor Control Division Leading Chief Petty Officer, Reactor Networking Technical Assistant, and Reactor Training Division Officer. He is currently serving as a Faculty Advisor at the Senior Enlisted Academy in Newport, RI.

Master Chief Sequaptewa graduated from Kearns High School in June of 2005. He earned his Associate in Applied Science Degree in Nuclear Engineering Technology. He graduated from the Senior Enlisted Academy, Class 218 (Red), in November 2018.

Master Chief Sequaptewa is qualified Enlisted Surface Warfare, Enlisted Aviation Warfare, and Master Training Specialist. His personal awards include the Navy and Marine Corps Commendation Medal (two awards), Navy and Marine Corps Achievement Medal (three awards), and the Navy and Marine Corps Good Conduct Medal (four awards).

He currently resides with his wife, Allison, and two children in Middletown, RI.
